Continuing Authorities Program (CAP)

Joe Jones

CAP Authorities

Section 14

Section 103

Section 208

Section 1111

Section 1135

Section 107

Section 206

Section 205

Section 204

CAP Projects

- Do not need Congressional authorization for individual projects
- Approved by Division Commander
- Quicker to implemen
- Limited in scope and complexity

US Army Corps
Of Engineers
Charleston
District

CAP Projects

- **Have a Federal cost limit determined by the specific project authority**
- **Must Compete Against Other National CAP Projects**
- **Limited Funding Available Across the Corps**

US Army Corps
Of Engineers
Charleston
District
